title Membrillo EP
artists Cabo San Roque vs Luciano
release 4th of august 2003

a25 Calypso 08
a26 Coplas del agua
b26 Calypso 08 remix by Luciano

Cabo San Roque are eight people from Barcelona, who play acoustic music on self-built instruments. Most instruments are made out of rubbish. Luciano met these people, was fascinated by the sound and atmosphere of their music and promised them to make a remix. This is how the project came to Bruchstuecke. In spite of the fact that the original music is quite the opposite of electronic music the Membrillo EP fits perfectly to the idea of Bruchstuecke Records: open the range of electronic music. On the sleeve you see a can of quince cream, subserving as a guitar. Thank you, Lucien!

Cabo San Roque are:
Roger Aixut, Núria Carrera, Laia Torrents, Alberto Mezquíriz, Pepe Seguí, Carles Martínez-Almoyna, Guiu Llussà and Ramon Garriga.

Produced by Jordi Vila and Cabo San Roque

Recorded and mixed by Jordi Vila at Bac Art (Barcelona) and Jordi's studio. June-July 2002.

Mastered by Jürgen Lusky
Artwork by Jens Müller
